Serial No 6

Letter No "L1 146/36-37" dated 13-8-36 from the Municipal Commissioner, Bangalore city forwarding for sanction declaration statements in respect of the acquisition of a small piece of land out of the compound of Messrs Rudrappa & Sons near the Lalbagh required for improving the junction of Hosur Road and Krumbegal Road. ---- —

It is proposed to treat the case as urgent and proceed with the acquisition under Section 17 of the Land Acquisition Regulation No reasons are set forth for doing so. If this procedure is to be adopted the owners of the land would be deprived of the opportunity of preferring their objections to the acquisition. —

2 Five drafts sanctioning the acquisition are herein submitted.

Compound wall is to be construed
as forming part of a building is
a point on which Law Section may
perhaps be consulted.

6 I do not think a small bit of
vacant land with a strip of compound
wall proposed to be acquired in this case
can be considered to be part
of a house or building. It is the party
concerned that has to raise the point.
If he so desires he can get a
reference made to the Court
which has to decide the question
finally.

Action under sec 17 is however
not permissable, because the land
to be acquired is not waste or
arable land. — A
